Why should you take part in a Tandem Project?

Are you an international student or an Erasmus student currently studying at UniBg? Are you new to Bergamo? Are you looking for a conversation buddy to consistently improve your Italian language skills? Or would you like to practice another foreign language instead, but you don't know where or how?

Don't worry, we've got your back. Join the Tandem Project!

Our University's Tandem Project can provide you with the perfect language match that will help you improve your foreign language skills and dive into the Italian culture.

How does the project work?

From the 15th to the 30th of April 2024, you will be contacted by the Tutor of the language of your choice for a round table discussion that will take place directly at the university. After the round table, you will be able to conduct tandem meetings with your conversation partners in established groups, in total independence, in or outside the university.

Certificate of participation

If you complete the project, you will be awarded a Certificate of Participation by the University's Centre of Language Competence (CCL) to boost your international CV.

How can I sign up?

If you would like to participate, you can fill in this Google Form by April 1st, 2024: <https://forms.gle/LtQoU9C7gt3jdT3z5>

If you would like further information about this project, you can send an email to: ccl-tandem@unibg.it

Looking forward to meeting you!
